**Ref: A Level Results Day**

Dear families,

As we approach the end of this term, I am writing to inform you of updates regarding the collection of this year's examination results.

Results will be issued on results days in August as follows:

Date	Qualification type
15/08/2024	GCE (AS, A Levels) and other Level 3 qualifications – including Y12 BTEC exam results
22/08/2024	GCSE and other Level 1/2 qualifications

Students will be able to collect their results from 8:00am to coincide with the opening of UCAS. It is important to note that even if their UCAS updates before they collect their results, they must still come into school.

Once students have collected their results, staff will be on hand to advise and support them in their next steps. It may take a while on results day for UCAS to update.

If students are away on holiday and would like a family member to collect their results on their behalf; they will need to provide a written, signed letter that states who will be collecting these. This must include their name and relationship to the student. The nominated individual must bring ID with them on results day and must be over the age of 18. Not providing this will mean results are not given out.

Results will not be emailed out to students, therefore if students are not attending and there is no one else who can collect this, result will be posted to you.

Thank you for your continued support and we wish you a restful summer break.

Yours sincerely

**Mrs K Steed**
